Activity * Write a story!

Lin and Fu have come up with some story starters to give you a starting point for your next creative piece of work. You can use these to write a story, a play or create your very own drawings.

1. 'Why did we ever try and teach a panda to fly a spaceship?' the captain cried. 'He doesn't even know his left from his right!'
2. I should've known it was going to be that sort of day the moment Mum came running into my room saying a panda was stuck in the toilet.
3. How many pandas does it take to ruin a school inspection? Mr Pipling, headteacher of Blundersbury Primary School, was about to find out.
